

services

Group bookings for flights and accommodation.

It can be difficult task to organise group bookings for flights and accommodation especially when they are made last minute. You can also end up not getting the best price for group bookings and hotels and flights sometimes have limited availability. Let Honeymoon Holidays do all the ground work for you. We will search our database and find you the best deal to suit your price.

Accommodation Facilities and days out

With your accommodation facilities you may require conference room facilities for meetings and team building exercises. You may want to organise days out to events, exhibitions and excursions. We will be happy to do all the ground work for you at the best prices.
